History of Paper April Program

TEAM LEAD:
[Margaret Mall](#)

This program will explore a brief history of paper, how paper is made, qualities of paper - sizing, surface weight - to consider when creating a project .

We will briefly discuss proper envelope sizes, archival concerns, and review some (but not all) paper samples than can be used for various projects. .

Supplies to bring are:

- Various types of paint
- Markers
- Ink ... if you want to try it on various media
